VANINA IVANOVA

Senior Web3 Marketing Leader | CMO / Head of Marketing

vanina.iv@gmail.com | 0xvanina.com | linkedin.com/in/vaninaivanova | CET time zone (Remote)

PROFESSIONAL SUMMARY

Marketing leader with 9+ years building and scaling marketing functions for blockchain and crypto companies, including 7 years as founding CMO of Ambire Wallet (formerly AdEx Network), where a token launch raised 40,000 ETH in a single day and the wallet reached 100,000 registered users and $50M TVL within 9 months of launch. Proven track record building marketing, community, and BD teams from zero (0 to 9+ people), running go-to-market for technical products across wallets, DePIN, L1/L2 infrastructure, and security, and translating protocol-level technology into narratives that convert for developers, investors, and end-users.

CORE COMPETENCIES

Leadership & Strategy: Team building & mentoring (0→9); GTM strategy & execution; fundraising & token launches; marketing budget ownership; founder-led strategy

Product & Growth Marketing: Messaging & positioning; product launch strategy; conversion & retention optimization; website revamps; developer onboarding programs

Content & Community: Content strategy; community building; developer relations; conference speaking & event production; PR & media relations; social growth strategy

Domain Expertise: Non-custodial & custodial wallets; staking & validator infrastructure; DePIN; RWAs; stablecoins; Ethereum & Solana ecosystems

PROFESSIONAL EXPERIENCE

Neon EVM - Head of Marketing Remote | 2025 – 2026

- Led, restructured, and optimized the marketing, communications, and growth team for the Neon EVM ecosystem
- Organized a developer bootcamp that onboarded 170+ developers to the Neon EVM ecosystem
- Implemented a comprehensive content and media plan; managed cross-functional stakeholder relations
- Designed and executed GTM strategy for Parasol, the company's new perpetual DEX engine

Chainflow - Marketing & Communications Lead (Maternity Cover) Remote | 2024 – 2026

- Owned the full marketing function for Chainflow, an independent boutique blockchain validator/node operator
- Designed and ran a delegated staking acquisition and retention strategy
- Managed event participation, sponsorships, and sourced media appearances for the company's founder

Serotonin - Marketing Director Remote | 2024 – 2025

- Built 360-degree marketing strategies for multiple Web3 clients across infrastructure, L1/L2, and DePIN
- Advised clients on fundraising and node-sale campaign execution; designed client GTM strategies
- Orchestrated day-to-day execution of marketing and growth activities across client accounts

Veridise - Head of Marketing Remote | 2023 – 2024

- Served as a marketing team of one, owning content, growth, and social media strategy end-to-end
- Grew the company's social following 2x; designed the founder-led marketing strategy
- Led a website revamp and visual rebrand that optimized traffic and conversion
- Partnered with business development to streamline the lead generation flow

Ambire (formerly AdEx Network) - Chief Marketing Officer (CMO) Sofia, Bulgaria | 2016 – 2023

- Founding team member; designed the TGE campaign for AdEx Network, raising 40,000 ETH in a single day
- Grew the AdEx Network platform from 0 to 20,000 registered publishers and advertisers
- Led marketing through the company's pivot to Ambire Wallet, an account-abstraction wallet that later served as the prototype for the Ethereum Foundation's Kohaku wallet
- Orchestrated Ambire Wallet's GTM, growing it from 0 to 100,000 registered users and $50M TVL within 9 months of launch
- Built and led the company's marketing, customer success, and BD functions from scratch to a 9+ person team

EARLIER GROWTH MARKETING EXPERIENCE

Selected earlier roles demonstrating scaled consumer growth marketing prior to specializing in crypto/Web3:

Stremio - Marketing & Growth Director Sofia, Bulgaria | 2016 – 2023

- Grew the platform's user base from 1.8M to 6M users within the first 2 years; ran content, social, and monetization strategy
- Revamped the company website, driving consistent 15% month-over-month traffic growth; led GTM for the Stremio iOS app
- Designed 4 consecutive addon development competitions that brought 80+ new content addons to the platform

pCloud AG — Marketing Executive & Growth Hacker | Sofia, Bulgaria | 2016 – 2017

- Contributed to end-to-end marketing strategy during a period of growth from 3M to ~7M registered users; owned the company blog as editor-in-chief

Additional early-career marketing & comms roles in fintech, forex, iGaming and media available on request.
